European Banking Federation

2014 Annual Conference

hosted by ING

Banking for the Future

Wednesday

19 November

Brussels
ING Auditorium Marnix

What does the future look like for European banks?

How will the European financial landscape look like once Banking Union is completed?

How can customers benefit from innovative new ways to interact with their banks?

Invitation

The European Banking Federation has the pleasure of inviting you to its annual conference a one-day event that will bring together chief executives from leading European banks with international policy-makers, regulators, supervisors and innovators to discuss key challenges facing the sector.

Conference highlights:

- Debate: **From national supervision to Banking Union**
- Expert panel: **Digitisation of customer interaction**
- CEO Roundtable: **The bank of the future**
