Foreword

This Statistical Bulletin provides financial information on the member institutions for the six-month period ended on 30 June 2012 and the same information as at 31 December 2011 and 30 June 2011 for comparison purposes.

As in Annual Statistical Bulletin 47 for 31 December 2011, this publication does not include data on the following institutions: BPN - Banco Português de Negócios, S.A., Banco Efisa, S.A. and NCG Banco, S.A., Sucursal. The data on Deutsche Bank, AG, Sucursal em Portugal were not included either.

Some of the financial institutions making up the Members of the APB do not prepare a six-monthly Cash Flow Statement, Comprehensive Income Statement or Statement of Changes in Shareholders' Equity, which is why this Statistical Bulletin does not contain some of them. Foreign branch offices operating in Portugal do not prepare any of these statements, either on an annual or six-monthly basis.

Due to alterations in accounting policies, some financial institutions were obliged to restate their financial statements as at 30 June 2011 for the purpose of comparison. These cases are duly identified in the footnotes. Some member institutions altered their accounting policy on recognition of actuarial deviations in pension funds and started to recognise them during the period in reserves instead of deferring them by the corridor method.

In the situations in which the member institutions restated their financial statements, but they were only partially published by these institutions, the APB did not publish them and the footnotes indicate that the present information is not directly comparable to the information as at 30 June 2011 shown here.

The financial institutions included in this Statistical Bulletin and the names of the groups to which they belong (for the purpose of statement of consolidated accounts) are shown on pages 7 and 8.

This Statistical Bulletin is structured as follows:

- Chapter I contains summary factsheets on each financial institution. It also contains their Separate Financial Statements (Balance Sheet, Income Statement, Comprehensive Income Statement, Statement of Changes in Shareholders' Equity and Cash Flow Statement).
- Chapter II provides consolidated information (Balance Sheet, Income Statement, Comprehensive Income Statement, Statement of Changes in Shareholders' Equity and Cash Flow Statement).

As in previous Statistical Bulletins, the separate and consolidated information was provided by the member institutions in templates pre-defined by the APB. The templates used for the separate and consolidated Balance Sheets and Income Statements comply with those issued by Banco de Portugal.

Some of the information in this Bulletin will also be provided in Excel format on the APB website in order to make the information more easily accessible to users.
