Foreword

This Statistical Bulletin presents financial and non-financial information on member institutions for the six months period ended 30 June 2017. For comparison purposes, it also contains the same financial information for reference dates 31 December and 30 June, 2016.

Compared to the previous Statistical Bulletin (Statistical Bulletin no. 52 – Annual) there was a change in the APB's membership: Barclays, S.A. – Sucursal em Portugal ceased to be APB member and Bankinter, S.A. – Sucursal em Portugal was admitted, on January, 1st, 2017.

Of the total of 31 APB member institutions as at 30 June 2017, this Bulletin does not include Banco CTT, S.A., Banco do Brasil, S.A. and NCG Banco, S.A., Sucursal em Portugal, due to unavailability of data.

Some of the APB members do not prepare half-yearly cash-flow statements, comprehensive income statements or statement of changes in equity, reason why some of them do not appear in this Bulletin. Foreign branch offices operating in Portugal no not prepare these financial statements either annually or half yearly.

The financial institutions included in this Statistical Bulletin, and the names of the groups to which they belong (for presentation of their consolidated accounts), are listed on pages 9 and 10.

The Bulletin is structured as follows:

- Chapter I contains brief factsheets on each financial institution, plus their separate financial statements (balance sheet, income statement, comprehensive income statement, statement of changes in equity and cash-flow statement).
- Chapter II sets out their consolidated financial statements (balance sheet, income statement, comprehensive income statement, statement of changes in equity and cash-flow statement).
- Chapters III and IV provide six-monthly information on the member institution's branches and human resources.

As in previous statistical bulletins, the individual and consolidated information was provided by the member institutions using templates pre-defined by the APB.

In order to make the information more easily accessible to users, some of the information in this Bulletin is also available in Excel format at the APB website.
